

Essence of nature

Jared Joseph Leto is 26 years old. He is an American actor, director, singer, musician and songwriter. Leto studied painting at the University of the Arts in Philadelphia and filmmaking at the School of Visual Arts in New York City before moving to Los Angeles. So, he is interested in art. He lives in a modern designed homestead. Quiet places inspire him to write lyrics. He has 10,1 mn followers on Instagram.

Natural lifestyle
Greek Cuisines

Comfort and silence are at the forefront of the Homestead concept. This is a kind of escape from busy life. The aim is to relax and rest the soul. A profile that grows its own fruit vegetables, tries to build new wooden houses, and is related to art is taken as an example. He is particularly fond of Greek food, trying new delicious cultural dishes. This person also has a lifestyle that adheres to the bohemian ethnic culture. Therefore, he prefers clothes with a carefree layer of patterns, textures and colors. The essence of the bohemian style aesthetic is that it is personal and comfortable.

Quite place

Comfortable and loose cut pieces are used. Products suitable for this homestead life are as follows. There are more knit products. These include oversized ponchos, raincoats, oversized jumpers, gilets and patchwork pants and jackets. Short and long boots are available as shoes.
